

# Archaeology in Cuba

## Go beyond the guide book!

This course provides practical training in archaeological field methods, including: reconnaissance, excavation and recording. Students will be given instruction in artifact processing, identification and interpretation. These skills will be developed while working on an archaeological research project uncovering the hidden, but not forgotten, slave plantation landscape. Join our team of Canadian and Cuban archaeologists; and Cuban, Canadian and International students in an experience of a lifetime.

Dates: June 3<sup>rd</sup> to June 17<sup>th</sup> 2017.

Course credits: 3 ANTH course credits

Costs: \$660 + tuition, airfare & airport ground transportation in Cuba
